

Walk to Macbeth's Cairn

Lumphanan War Memorial, A980, - Leisurely stroll 1 hour.

The route to Macbeth's cairn is quite simple. Unfortunately, it is primarily a case of following the main road up the hill from the War Memorial. Walk for about 1,000 meters, then turn in to the entrance to Howburn. You will need to find your way around the back of the house. Please take care to respect the farm and buildings. Cross the field to the cairn enclosed within a circle of trees in the middle of the bottom photograph. The view of the cairn is taken from the road as you approach Howburn.
